General Rules & Regulations

EVERY CLASS OFFERED HEREIN WHICH IS COVERED BY THE RULES AND SPECIFICATIONS OF THE CURRENT USEF RULE BOOK WILL BE CONDUCTED AND JUDGED IN ACCORDANCE THEREWITH.

FEDERATION ENTRY AGREEMENT

By entering a Federation-licensed Competition and signing this entry blank as the Owner, Lessee, Trainer, Manager, Agent, Coach, Driver, Rider, Handler, Vaultor or Longeur and on behalf of myself and my principals, representatives, employees and agents, I agree that I am subject to the Bylaws and Rules of the United States Equestrian Federation, Inc. (the "Federation") and the local rules of the competition. I agree to be bound by the Bylaws and Rules of the Federation and of the competition. I will accept as final the decision of the Hearing Committee on any question arising under the Rules, and agree to release and hold harmless the competition, the Federation, their officials, directors and employees for any action taken under the Rules. I represent that I am eligible to enter and/or participate under the Rules, and every horse I am entering is eligible as entered. I also agree that as a condition of and in consideration of acceptance of entry, the Federation and/or the Competition may use or assign photographs, videos, audios, cable-casts, broadcasts, internet, film, new media or other likenesses of me and my horse taken during the course of the competition for the promotion, coverage or benefit of the competition, sport, or the Federation. Those likenesses shall not be used to advertise a product and they may not be used in such a way as to jeopardize amateur status. I hereby expressly and irrevocably waive and release any rights in connection with such use, including any claim to compensation, invasion of privacy, right of publicity, or to misappropriation. If not currently a USEF Active Competing member or Subscriber and competing only in classes that are exempt from membership requirements, I acknowledge and agree that I will be enrolled at no cost as a USEF Fan and my USEF Fan Account will continue to annually automatically renew unless and until USEF determines in its sole discretion to terminate my Fan account. Additionally, I acknowledge that the benefits of a USEF Fan are subject to change without notice. The construction and application of Federation rules are governed by the laws of the State of New York, and any action instituted against the Federation must be filed in New York State. See GR908.4.

Health Requirements

Each equine brought into Ohio:

- Shall be accompanied by a certificate of veterinary inspection issued at the point of origin immediately prior to entering Ohio, certifying that they have been given a careful, clinical inspection and been found free of symptoms of any dangerously infectious, contagious, communicable disease or known exposure thereto. Rectal temperature at the time of examination must be recorded on the certificate of veterinary inspection.
- If twelve months of age or more, shall be accompanied by evidence that the identified animal was negative to an official test for the disease, equine infectious anemia, conducted by a laboratory approved by the United States Department of Agriculture. This test must have been conducted within the twelve-month period preceding the date of importation into Ohio.

Motorized Vehicles

Minors who do not have a valid driver's license which allows them to operate a motorized vehicle in the state in which they reside will not be permitted to operate a motorized vehicle of any kind, including, but not limited to, golf carts, motorcycles, scooters, or farm utility vehicles, on the competition grounds of licensed competitions. Minors who have a valid temporary license may operate the above-described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. The parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. Violations of this rule will be cause for penalties against those responsible for the child committing the offense. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule. The unsafe use of personal electronic transport devices, as determined by the competition officials and management in their sole discretion, that do not require a driver's license to operate, including but not limited to segways, hover boards, and single wheeled scooters is prohibited on competition grounds. Operating such devices in areas where people gather may be deemed "unsafe use" if there is a risk of harm to others. If the operator of the device is a minor, the parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating the device in violation of this rule is accountable and may be subject to penalties. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

Stabling

Horse stalls and tack stalls are \$145 per stall. All stalls are 10' x 10' with full hinged doors. No staples or nails are to be used on the stalls. Any damage to the stalls will be the responsibility of the exhibitor.

Vaccination Rule

At Federation licensed competitions, horses, more than 7 months of age, entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian.

USEF REQUIREMENTS

This show is licensed by USEF as a Competition Lite.

- Owners and riders are not required to be members of the Federation, but any competing member, 18 or older must have completed the SafeSport Training prior to the first day of competition.
- Anyone signing as trainer on the entry form, must be a competing member of USEF and must have completed the SafeSport Training prior to the first day of competition.
- Drug fees are not charged at a Competition Lite show, but any horse is subject to testing. Medication forms must be filed electronically.
- Lite Competitions will award half-value HOTY points to all USEF recorded horses, whose owner is a competing member.
